EDITORIAL

Heartiest Greetings!

Every committed artist and genuine art lover, know, appreciate and celebrate an intrinsic fact – that all art forms, irrespective of their genre or geographic origins – have a common language. You don't have to understand the language or even know the context of any particular artistic performance, to get emotional over it or enjoy it!

That is the power of performing arts! Just listening, seeing or observing an art form well performed, transforms the audience to a world of bliss, happiness or even sorrow, depending on what the performance portrays.

This issue of Tarang is our small, yet sincere, attempt to give you a tang of different art forms, and the common language that embraces them all. We believe, we have achieved our objective to a great extent, with the meaningful contributions of the globally renowned **ADITI BHAGWAT** and **ASTHA DIXIT**; high achievers **ARDRA RAJESH** and **SHREYA MURTHY**; and the talent treasure trove **ANANYA ADARSH**.

We also invite you to check our [Promotional, Branding & Marketing Services](#) fine-tuned to your specific requirements.

Are you ready to enjoy Tarang?

With warm wishes,
Team Indian Sounds & Steps
